

SCHEME SPECIALIZED IN HURRICANES

Every year during the hurricane season you have to make sure that your home is secure.

In case of potential dangers you can get into a designed shelter which will open as soon as Orange Alert Northern Leward Islands is issued.

SAFETY SHELTERS FOR BEDRIDDEN INVALIDS

You are invited to call Territorial Operational Center (COT), tel. : **0590 29 70 66** or **0590 87 99 99** which will provide them with the appropriate procedures to follow.

SAFETY SHELTERS INSTRUCTIONS

- In a designated safety shelter, you will find :**
- beds for adults,
 - beds for children on request,
 - bottles of water,
 - toilet paper,
 - buckets, brooms, floorclothes, bin bags,
 - chemical toilet
 - Covid-19 surgical masks
 - hand sanitizer

If you intend to occupy a safety shelter, you must :

1- Take a supply of :

- fruit juice or/and milk,
- ready-made food (tinned foods, dry pork and beef sausages...),
- rusks, biscuits,
- energy-giving food.
- bottles of water.

2- Bring useful items like :

- personal effect (a travel pack, towels, changes of clothes, cutlery...),
- sheets or blankets,
- a first-aid kit,
- a flashlight and a battery-operated transistor.

3- Remember to bring :

- your identity papers,
- your important documents,
- your medicine and the prescription if you are undergoing a treatment,
- your health and/or vaccination record.

4- If you have young children allow the necessary stuff :

- food (milk, feeding bottles, jars of baby food),
- comfort (plastic bowls, toiletries, nappies),
- health (medical or emergency treatment),

5- If you are undergoing an extensive treatment or if you have got serious health problems :

- get in touch with your attending physician or which will the hospital which tell you what to do.

6- When leaving your home :

- let your neighbours, relatives and friends know where you are going,
- do your best to make your home secure (switch off the current, disconnect the gutters, the cooking gas, the water distribution, secure outdoor objects...),

WARNING :

In a safety shelter :

- you are compelled to obey the rules of life in society (public spiritedness, hygiene, social interaction, the respect of others),
- it is forbidden to drink and smoke,
- it prohibited to use weapons, objects with cutting edges or fire,
- the security measures must be respected,
- the speakers at the headquarters are only people in charge.
